To Bessie,Rosie, Dixie, Dottie\r\n\r\nI can not tell you how sorry I am for all of you. Words cannot express the loss you all are feeling, to loose 2 sons and 2 brothers within a month of each other is more than anyone should have to deal with and I say a prayer that your pain will ease with time. They are together now. Butch was always a free sprit and now he is sailing high, just like Jerry with no more pain and worry, they are both at rest. I would be with you if I could, but you are in my thoughts and prayers and hopefully you all will find the strength to get through the next few days. Love you all, Charlene
