My thoughts are with Ramona and her family. We went to PHS and graduated together in '78. Ramona, I have lots of great memories of you and wish that it hadn't been 21 years since I made a trip to Pitkin - unfortunately, couldn't make the last reunion. I have been smiling and laughing as I pulled out my dusty '78 PHS annual and our Senior Memory book - looking back and remembering so many things we did and were involved in.

To Kim and Ramona's entire family, our love, thoughts and prayers are with each of you during this time and the days to come. We have been to different events with Ramona and her family from rodeos, family gatherings to most importantly, Worship services in God's house and my fondest memory, is Ramona ALWAYS had a smile on her face (unless someone had upset her!), she was always laughing, and her love for her family AND God, was very obvious to everyone. She made certain that everything she did, gave God the glory. What a testimony! Although this isn't really a storm, not for Ramona anyway, I'm sure her and Mrs Jewelene has already sung a chorus or two, but may this verse bring comfort to each of you. Cling to your Faith in God to get you through these dark days... Through every storm I've found that God is faithful. Through every storm I've learned His strength is mine. Because of those dark days I'm more certain of the Grace that God will ALWAYS keep safe through EVERY storm.

I don't know how to express my sympathies in a time like this. My heart goes out to each and every one of you. I loved Ramona at the School Board, while we talked about our personal lives and how we started over again she always showed her concern for those around her. I will sorely miss my friend. All my love and prayers. Jeanine

My thoughts and prayers go out to the Gill and Tuck families for the loss of a very special person. Ramona meant alot to Missy, the kids and I. We will always remember her and the laughs we had together. Her great personality and beautiful smile were only a couple of the many things that made Ramona who she was and will remain in our memory forever...

I'm not even sure where to begin. Mrs. Ramona was like another mother to me as a child and her sons were like my brothers. I can remember cuddling up with her in a blanket at baseball games in the freezing weather to watch Bret and Brannon play or her trying to convince me that one day I'd be her daughter-in-law. She was an amazing woman that touched the lives of so many. I always knew if I needed anything I could go to her. I wish that I was able to be there to show my love and support to her family but just know that my family is praying for them. I love you Momma Bennett.
