To Benny and Pam, and all the Santos family, we feel your loss. Two weeks ago we were in this situation, and without the outpouring comfort of so many friends and neighbors, and church family, we could not have pulled through. Although none of us can understand it, we know that GOD has a reason for what HE does, and we cling to that. Don't let go of your Faith, it marks a big part of your healing, and we are comforted to know that our loved ones are at peace now. Maw and our precious David are probably strolling in a beautiful garden full of flowers right now, and smiling, and enjoying every minute of it. Peace be with you.
