I share in the loss of Red Smith. I worked with him at times in the Office of Motor Vehicles in Leesville La. I was a rover and worked various offices and enjoyed working with Red. I know that he had several things that were dear to him and that was his family, farming, and most of all the Lord. Living in the country we have many old sayings and thoughts, and the one that fits Red is a simple on \" He was a Good Man\". May the Lord comfort the family during this time of loss. We uplift you all in our daily prayers.
