Veta, Joanna and family, We want you to know that you have been in our thoughts and prayers during this most difficult time. You have been a wonderful family to me and I so much appreciate your thoughtfulness. I know that you will be called on by God to minister to other grieving families who will lose their loved one, in this same way, in the future. Who better to console the hurting than a loving family of God. I will love you always,

To Veta, Jo, Mickey, Brad, Daisy, and Beverly. My heartfelt prayers are with you. You have lost an asset to your family that will never be replace, nor forgotten. Gareth was my best friend. He worked on and had so much fun with the our Haunted Hayride, we toured Will Rogers Memorial, The Blue Whale, geo cached, I took him to an Amish resturant, and showed him things of interest around this area. He always wanted ribs, and baked beans. Then in the afternoon, he wanted a half a cinnamon roll, cup of coffee with cream and sweetner. My sorority sisters in ESA are in shock. We expected to see him this fall for the hayride, and to bring Beverly for a weekend of cookouts, and fun. When you see a shooting star, think of Gareth, riding the heavens, watching over us, and looking for that next cache. God loves each of us, and so do I.

Gareth was my brother in law but I loved him like a brother. I will always be grateful for the endless hours he spent patiently teaching me about computers. \r\nHe was a good daddy to Scotty & Adrien. He loved them like they were his own sons and they loved him in return. \r\nWith his charming smile and unique personality Gareth made a lasting impression on so many people. \r\nMy thoughts and prayers are with family and friends as we all try to cope with this loss. \r\nThank you Gareth for being a part of my life. I will miss you. Rest in peace.

With shock and disbelief I offer my deepest sympathy and condolences. \r\nGareth was a good man with a quick wit and always ready to brighten up ones day with a corny joke! \r\nI regret I didn't get to see him more often, living across the state as we did. \r\nMay his memory be a blessing to you as it will to me.
