My thoughts and prayers are with you. I first met Sam as a salesman at the dealership. From there I came to know her on a personal basis and visited her at her home on several occasions. She used my son to do some maintenance work around her house and she was very kind and thoughtful to him and his family. Those kind of things are not forgotten. Sam was a very kind and loving person and I am very saddened by passing. I will still think of her often.\r\nI pray the Lord will be with your family and that he is with you always. When it seems you can't go on, he is there to carry you. Love to you all.

To my niece, nephew and family members, It is written in Genesis (2:10) \"A river went forth from Eden.\" IT is also written in Jeremiah (17:8), For he/she shall be as a tree planted by the waters, that spreads forth its roots by the river.\" We have laid down that the great and mighty tree in which is food for all is called the tree of life, because its roots are in that life. We have learned that that river sends forth deep streams, to water the Garden and feed the trees and the shoots. Our God has already worked it out. His mercy endured forever.\r\nLove Aunt Benjilina &Family

Kim & Kenny please know that both of you are in our prayers. I know this is a very difficult time for both of you. Your mother was such a sweet individual and I can still visualize her smile even today. Please know if you need anyone to talk to or simply anything Tremaine, Marc, and myself are here for both of you. Sometimes it helps to talk to someone who has shared the same experience.
