Albert, so much of my own childhood involved Mama and Jerri, which of course, meant David as well! I remember he took me for my one and only ride in a Corvette when I was a teenager. He always had a smile on his face and a chuckle when he spoke. I will remember him fondly.

David was a great friend and a brother. He will be missed by myself as well as all of his friends of which he has many. In the 30 years that I've known him, I can't recall his ever being mad at anyone or having anything but a smile and a nice word for everyone. Please be comforted in knowing that in his time on earth he touched many hearts. Sandy and I will keep you in our prayers.
