Karen, I was so sorry to hear this news. My prayers are with you in this time of your loss.\r\nI know I've only known you both for a short time since I've worked at Role Play but when I went to work at Role Play names were said to me that I may have known years back and Randy Corley was one of the names. The next sentence was he is a really nice man. So take comfort in that everyone liked him and have good thoughts of him. May God's Blessing be with you.\r\nViolet Sue Stephens
