I extend my deepest sympathies to the entire Chandler Family.\r\n\r\nBeing the Pastor of Richard,Carol and Hailey - I met and fell in love with the Smith family some time ago, and - Linda and Gene - I know how the loss of a mother is devastating, because she is usually the glue that holds the family together and she will be greatly missed. \r\n\r\nMargaret and Melvin, our friendship came through our working with the Simpson Church of God Scouting Program. Being exceptional leaders, working with my late husband, Rev. Terry L. Adams, your love for children was evident, as it still is in the Hicks area today.\r\n\r\nYou are all in my thoughts and prayers - and just remember, she can't return to you but you can go where she is one day.\r\n\r\nMay God give you peace and comfort today and in the days ahead.
