Bishop Peterson and Family --\r\n\r\nMy deepest sympathies go out to you and in the loss of your sweet wife and mother. Some of my earliest memories of the Lake Charles Ward are of your family, and I remember going to your home on several occasions when I was younger. I always thought the world of Sister Peterson, and I know you will miss her sweet spirit. I will certainly keep you all in my prayers. May the sweet memories you have of her bring you comfort at this time in your lives, and may the knowledge of our Heavenly Father's plan guide you through the coming days and weeks knowing that you will once again be reunited in the future.
