Aunt Bobbie was my 2nd mother. She always said I was her only daughter. I will never forget the times we shared. Rob & Randy were more to me than just cousins, they were my other brothers. Because of circumstances nobody had control of, she wasn't around much for the first half of my life, but boy did she make up for it in the later. She was always there for me through the good, bad, sad, & happy times. I will always cherish our memories and keep them close to my heart. Aunt Bobbie was one of the nicest souls ever to see earth, and will never be forgotten. Fly high, give Momma a hug and kiss, I know there is so much for y'all to catch up on. Rest in piece, until we met again. I LOVE YOU!!!! Tanya
