My brother, our hero. You will be missed deeply Richard, but will forever be in our hearts. I will always remember the beautiful doll with the red flower dress music box that you gave me when I was little; I loved it! Until we meet again big brother...

No one had a better brother than Richard. I learned about work, charity and loyalty from his examples. He taught me to appreciate irony and sarcasm. He gave me too many happy memories to even choose a top ten. But, letting his 7yr old brother(me) watch the Twilight Zone ?! I never forget that. Thank you for being my hero. I love you Richard.
