He loved his family and spending time with them. One of his favorite things to do was go camping. He was a lifelong member of Prewitt's Chapel where he served as a deacon and as a song leader for many years.

He was preceded in death by his parents: Henry Haywood Mitchell, Jr. and Loread Rhosto Mitchell, and his sister, June Young.

Dear Nancy, Mary Lou and Bogie: We are so sorry you are hurting. All of you are very special to us. As you know better than most - Milton was one of a kind. His Christian witness was a joy to be around. Always a smile and positive thing to say. Please know you and your families are in our thoughts and prayers. May you feel God's presence and know His peace as you move forward in the days ahead. We know we will see him again soon. In Christian love, The Chances-Teresa & Doug (Psalms 91)

I can't believe he won't be there at the park saying how he was doing his part to make America great again. Never a poor word. Always a grin and a joke, and he could take one too. Generous, a great cook, and always ready to help you. I've never seen a retired person work so hard. I don't make friends often or easily, but he was as dear to me in the short time I knew him as most anyone I've met. There's a huge hole without him. It was a genuine pleasure and privilege to get to know him. The park won't ever be the same.

Our family is deeply saddened and shocked by the loss of Milton, He was such a wise man who never seemed to mind sharing his knowledge with anyone who asked for advice, to crack a joke, tell a story or just to say Good morning whatever time of day or night you called him. (should have got him a watch)Milton was such a valuable character to the community, helping people convert trees into lumber into beautiful works of art and so many construction projects, we will all feel the loss very deeply. Please accept our condolences and know that our thoughts and prayers are with you during this difficult time. This was such a tragedy. Words can't express how sorry we are that this happened. With sincere condolences, The Britt (John) Brenda and Blake

I am very sorry to hear that Milton has passed away. I have known him and his parents for a very long time. When we were kids and lived as neighbors, Milton would blow taps on his bugle every night around 9 PM. You all are in my prayers.
