Donnie Krebs was one of a kind -- I have such fond memories of him, since I was a young child. He made my father laugh under any circumstances (no easy feat!) . He made sure no one could ever be in a bad mood when he was around. He spread sunshine and smiles wherever he went. All our love goes out to Tinker and family -- wherever Donnie is, he is making everyone laugh!!

My Uncle Don. I can picture him now. Stomping both feet wide on the ground and throwing his arms open to greet me with a bear hug. I can hear his contagious laugh and see that warm smile. He will live in my heart as the larger than life, goofy, loving, one of a kind man that we all loved so much. Sending all my love to Aunt Tinker, Mike, Libby and the entire family.

Don always had a smile on his face and a cheerful greeting for everyone. He loved to tease and laugh. He was a good man, loved by his family and friends and will be missed by us all. I know God welcomed him home with a hug and the greeting: "Well done, good and faithful servant." God bless you, Tinker and everyone who knew and loved Don.
