Henry "Cappy" E. Brantley

DEC 30, 1942 - AUG 6, 2020

Cappy was born at home in DeQuincy, Louisiana on December 30, 1942, to Henry (Cap) Brantley, Sr. and Jewell Davis Brantley. They are all together again. Left to remember them, are his "little" brother, John (Blob) Brantley and wife Jane, and sister, Lana Kilpatrick

Cappy graduated from DeQuincy High School in 1960 and attended McNeese State University. He always enjoyed learning. He studied and researched the word of God all the time. He should have been a teacher; however, he made a career as Supervisor at Centurytel.

He proudly served his country, and was honorably discharged from the United States Army.

As a young man, he had an adventurous spirit. He loved scuba diving, rafting, camping and fishing. In his retirement, he spent time at his camp on Toledo Bend.

He met his helpmate, Fay at church. They were married 56 years this March. The first nine years, they lived in Beaumont, Texas before moving to Longville.

They were blessed with children, a daughter, Mitzi, who married Kiley Haley, a son, Mark and wife Jenee[], all of Longville.

He was a good husband and dad. Always provided and always willing to lend a helping hand anytime we needed him.

Then his world was transformed when he became the world's proudest pawpaw.

They were the highlight and center of his world. It didn't matter what they were named, he renamed them.

John is #3 "Brother"

Morgyn is #4 "Pink"

They all had their own unique relationships with him. He would tell anyone who would listen, all of their accomplishments.

He also had two grandsons-in-law that fit right in. Judah and Ashton.

Ever since Kalene married 3 years ago, he has been asking for a great grandbaby. He was anxiously anticipating its arrival in February 2021.

He enjoyed a simple life in the country. Big Sunday dinners with his family around the incredibly heavy table he built.

Building things with wood. Burning wood in the fireplace.

Highlight of his day was 6 am coffee time with Donnie and Mike.

He loved his tractor,

His cat,

And telling his stories... "his way".

Cappy was a great man, father, and friend. Back in the 1980s, he taught me to play chess. Of course, I never won and that would frustrate me to no end! However, it made me work harder to become better. It was probably the 1980s that I last saw him, as that's when I left to join the service. Nevertheless, even after 40 years, I've never forgotten him, his kindness, honesty, decency, intellect, humor, and what a great role model he was to me and anyone else who was fortunate to be in his presence. Albeit late in doing so, I extend my heartfelt condolences to his family for their profound loss. I send a virtual hug to my friend and classmate Mitzi.

Cappy was my lifelong friend. We shared many times, especially during our high school years; hunting, fishing, shrimping, listening to music.

Melvin and I were so sorry to hear this. Y'all are in our prayers. He was Mel's Sunday school friend as kids. I got to know him at DQMH when he would call for Fay and tell me he was "Jake" to try to fool me. He was always fun.
