I will be forever and eternally grateful for the way he loved my mother and the happiness he provided for her. It always put a smile on my face being around those two and seeing how happy they made each other. If Joe loved you, you knew it and he loved with his whole heart. Heaven gained an angel with his passing. Continued prayers for comfort for his family.

Joe was loved by so many and will be missed terribly. The heart of a giant--a devoted father, grandfather, friend, and companion. I cannot begin to express the gratitude I have to him for the love he shared with my mother and my family over the past 10 years. A man of integrity and faith who heaven is lucky to have join the ranks today. Prayers of comfort from Washington state.
