Micah "Boomer" Boone

NOV 15, 1965 - NOV 20, 2019

Memorial services for Micah Shane “Boomer” Boone, 54, of Leesville, will be held at 3:00 P.M. on Saturday, November 23, 2019 at the Pine Hill Baptist Church in Leesville with Rev. Chad Boone, officiating. Reception to follow at the church.

Visitation will be held Saturday, November 23, 2019 from 2:00 P.M until service time at the church.

Boomer was born on November 15, 1965 in Oakdale, LA to his parents, Buford Boone & Pamela Gordon Boone Hertz. He passed away on Wednesday, November 20, 2019 in Alexandria.

Micah “Boomer” Boone was born in Oakdale Louisiana to Pam and Sonny Boone. He attended Oberlin High School where he threw discus for the Oberlin Track & Field team. He later attended LSUA to study communications and went on to be one of the greatest radio personalities in Louisiana. Over his 38 years in the radio business, he has worked all over the state for numerous radio stations including KOOL 95.1, KYKZ 96.1, 101.3 KKGB, 93.5 KJAE, KROK 95.7, and 105.7 KVVP. “Text and Drive, Killer Idea” was said at the end of all of his broadcasts in honor of his daughter Shai. Over his career he has helped out with many different organizations such as CASA, Toys for Tots, Shop with a Cop, Lions Camp for special children, Vernon Parish Police Department fishing and golf tournaments, LHSAA Softball, Cattleman’s Association, The Shai Foundation, Saint Judes Children’s Hospital, Bass Cash Bash, and countless support of local sporting events. An avid LSU football fan, running close behind would be the Avoyelles Mustangs where he loved announcing play by plays with his brother Chad while his brother Andy led the team as the head coach. He spent his off time hunting in Oklahoma, fishing with his buddy Mike, and making it down to his mom’s house for some of her famous Swiss steak and Mississippi Mud cake, both his favorites. Boomer loved good Cajun cuisine, his children, and being the life of the party. He left this earth surrounded by loving friends and family and will be missed by many friends, family, and listeners.

The passing of Boomer just breaks my heart. We were all looking forward to his annual Oklahoma trip for thanksgiving holiday week. He always brought plenty of Cajun foods and of course Sausage and Bacon. Lots of both. Lol. He would bring little Zeppelin and he played outside by the campfire day and night. It was truly a full week of fun with family and friends. I can still hear his laughter around the fire pit. So sorry he did not get to visit again this year but we are not in control. We loved Boomer.

He was a great man. I have known him since I was a little kid. When I was in kindergarten, Boomer came to Pickering Elementary School and gave me a basket of candy and other things for my birthday. He was a family friend and will be missed greatly.

Boomer was truly one of a kind, he loved his food, and loved telling you about it. I listened to him on the radio during Hurricane Rita for almost a week when the power was out in Leesville. He clearly cared for his friends and would smile always. I have kept in touch with him through many events in around town and most comoly at the Wampanoag Dome where his voice will be missed. Boomer thanks for the encouragement through the years and Im sure happy with Shai in the piney woods of heaven. We will miss you my friend. Next ink is for you. Your brother always Jeff Clark

Being a radio personality he could never know how many lives he has touched...we met Boomer during Rita and have been fans ever since...Boomer lived and shared his life on the air...he has been a welcome guest in our home for the last 14 years...we have been there with him thru the worst and the best of it...he is and always will be family to us...alarms have been set to make sure we never miss a visit with him...never being a sports type person we have learned much from him as we would tune into hear HIS broadcasts when otherwise there would have been no interest...all of this, and all we have been thru together he would not recognize either my wife or myself if we were to walk up to him to shake his hand or give him a hug...I can only hope in some small way he knows how he has touched so many lives...people he will never know or meet...My BROTHER from another mother...you are loved and you are missed.

When Boomer had to go to work at 93.5 he would leave Shai and I at home. He would call us, and not tell us he was live on the radio. One specific time I remember we were asking him to bring donuts home. At school the next day we had all our friends telling us they heard us on the radio. I will miss him so much. I know Shai is welcoming him with open arms. There are so many memories I have with the two of them.
