Mr. and Mrs. Hornbeck and to Kelly's children, I am a little lost for words at the moment, as I just learned about Kelly's passing. Kelly and I served together at Fort Bragg from 1990 – 1996 and were good friends. When not in the field or deployed somewhere, we'd hook up and travel to Coats, NC to a buck out on Friday nights or wherever we could find a place to ride bulls, then head to the honky-tonk enjoying an evening of bragging right of who did what when their bull turned out the cute and laugh at ourselves. I am also from Texas, Pearland to be exact and fellow Texans stuck together around Fort Bragg. Kelly and I both PCS'd around the fall of 1996 going separate ways and though I thought of him, especially whenever I needed a good story to tell, we just lost touch until today. Kelly was my friend and I am glad to have found him again. Rest in peace "meho" I will never forget you.
