**Jeannie S. Hicks**

DEC 4, 1967 - MAY 26, 2022

Her dad called her mouse because she was very quiet, however, all she had to do was give you that look and you knew you had been caught. She had no need to be loud. When she did say something, the “Hurst Humor’ would slip out unintentionally and everyone would laugh.

Jeannie was always such a bright spot wherever she went. She also had the heart of an angel and it could be seen in everything she did. She definitely left her mark on all of her children, grandchildren, friends and family and this world will not be the same without her in it.
