God's Garden

God looked around His garden

And found an empty place,

He then looked down upon the earth

And saw your tired face.

He put His arms around you

And lifted you to rest.

God's Garden must be beautiful

He always takes the best.

He knew that you were suffering

He knew you were in pain.

He knew that you would never

Get well on earth again.

He saw the road was getting rough

The hills were hard to climb.

So He closed your weary eyelids

And whispered "Peace be thine."

It broke our hearts to lose you

But you didn't go alone,

For part of us went with you

Domo you a real one. I remember you as a young man growing up in the K and then you came by the house to introduce me to Kiara. You amazed me how you grew into a good man, a loving husband and father. May you rest in peace and may your family continue being covered and healed.

We went from Battle Buddies in basic to "No Slack" soldiers in AIT. I will always remember the fun times we had as we began our journey together in the military. You will forever and always be my brother, Nelson. Thank you for being there when I needed a friend. Rest Easy Battle -Ryan McTier
