While I knew Pedro for just a short while during my stay in Leesville, I found him to be an outstanding man who was kind, compassionate and very loving. His smile was electric and a room would be somehow better with him in it. My sincerest condolences to his family and friends. Most sincerely, Jerry (Bublz) Reese.

I can't ever recall a time when at family gatherings that Pedro didn't make me feel like one of the family. He was always welcoming and so much fun to be with. He was one of those people you felt you've known all your life and enjoyed being around. He was so good at making you laugh. He will be so missed.
