So sorry to hear of Ms Garnetia's passing. Growing up just down the road and being friends with Darrell, I probably spent just as much time at the Crumpler's place as I did my own. I'm sure she got angry or mad I can't recall seeing it, although I'm sure the boys and Cathy might recall differently. I always remember a great meals and plenty of laughs. Of course there's always chores to do before Darrell and I got any free time. You could always count on her to be at Shiloh when ever the doors were open. Heaven has gained a very special angel. My heart goes out to all the family.
