If PawPaw taught us one thing it is to look forward to the road after death. I went to church with PawPaw teaching us kids most of our lives that God is the ultimate goal. To look forward to no tears and everlasting life, that our bodies are but vessels used to carry our mortal bodies till one day we get to leave these bodies to meet Jesus. PawPaw made that journey through life that most don't get to see. PawPaw I am really grateful to have the memories you gave me that will live on forever in our minds. Love ya pawpaw. Hope those Angels can handle the toe pinch up there.
