# Johnny Norman Bolton

JAN 7, 1949 - AUG 17, 2024

**J**ohnny Norman Bolton, 75, passed away from this life and entered eternal life with Jesus Christ on August 17, 2024. He was born on January 7, 1949 in Slagle, LA to John & Ruby Bolton. Johnny was a devoted Christian and was a man of great strength in Jesus, who never missed an opportunity to witness and speak words of encouragement to everyone he met.

After graduation from Hicks High School, Johnny enlisted in the Air Force and served active duty in Thailand during the Vietnam War. He was honorably discharged as Veteran of War. Once discharged, he attended Northwestern State University earning a bachelor's degree in business. He practiced as a refrigeration HVAC mechanic, owning his own business for a number of years and eventually earned retirement from Fort Polk as a Quality Assurance Inspector for the Aviation Department.

Johnny married the love of his life, Carolyn Clawson Bolton on June 29, 1974. Together they raised two children and lived a simple, happy life of 43 years filled with love and joy with friends until Carolyn's passing on August 17, 2017. It must be stated that Johnny and Carolyn both passed away in the early morning hours on the 17th of August exactly 7 years apart. This is an incredibly unique occurrence; giving the family a truly clear confirmation from above that "God is in control." This timing was a message to the family Johnny and Carolyn were reunited on this day in Heaven. What a rejoicing it must have been!

Johnny's love for life extended to simple pleasures, such as his passion for the Great Outdoors; especially his never wavering pursuit of the Whitetail deer. He also enjoyed fishing and in his earlier years, taking his family camping in stunning places that will never be forgotten. Most of all, Johnny loved his Church and always looked forward to being present for services and volunteering for any event he could. It was evident Johnny loved all of his friends dearly and would spend much of his leisure time visiting and encouraging them. He was truly a good supportive friend to have in your corner.
