# **Bobby Gene Boycher**

MAR 20, 1938 - JAN 16, 2025

**B**obby Gene Boycher, a beloved husband, father, grandfather, and friend, passed away peacefully on January 16, 2025, in Alexandria, Louisiana. Born on March 20, 1938, in DeRidder to Guy W. and Mamie Irene Williams Boycher, Bobby lived a life rich with love and devotion that touched everyone around him.

Bobby is survived by his cherished wife of 49 years Linda Boycher of Leesville. Their bond was an inspiring testament to true partnership; together they built a family grounded in faith and unconditional love. He is also survived by their son Frank Boycher and daughter-in-law Dashnora of Leesville; their daughter Brenda Boycher of Leesville; brothers Kenneth Boycher and wife Sue of Rosepine; stepdaughter Tuesday Mattix and husband Vance from Washington State; as well as seven adoring grandchildren—Sara, William, Nely, Henry, Trista, Wyatt—and Morgan—who were the apples of his eye.

Bobby's heart was filled with warmth for those he loved deeply but also extended generously to others through acts of kindness that defined his character. He was known for being loving yet humble—a man who worked tirelessly while always making time for family gatherings or fishing trips where laughter echoed across the water.

His passion for travel allowed him to explore the world beyond Louisiana's borders but no matter how far he roamed or what adventures awaited him abroad—the essence of home remained firmly rooted within the walls built by love alongside Linda. His commitment to their church community reflected not only his faith but also served as another avenue through which he expressed generosity toward others.

Preceded in death by his parents Guy W. and Mamie Irene Williams Boycher along with son Bobby Guy Boycher and brother, Billy Guy Boycher—his legacy lives on through those who carry forward the values he instilled: loyalty towards one another coupled with hard work dedicated towards achieving dreams big or small.

Best thoughts and prayers to Family and Friends paying there respects. I have nothing bad to say as Bobby rarely had issues or concerns nor did he seek out trouble. I heard you had a hard time do loss of a arm, kind did alright as live 10+ years as noticed I did not see you on Facebook for along time but knew you were alright as we had few of the same friends . Glad to know you made aged in to your 60s as you got to hustle if you want to make a living i Vernon Parish. I visit Leesville occassionally and maybe I'll just take a momment of silence. Others time has not passed, aging is not easy, and sure you are missed by respectful friends whom liked and family who loved you. I guarantee one thing; you will not be forgotten by those who loved you the most. R.I.P. In Jesus name we all seek out salvation and pray as our job is not done, catching up will be done later in shared memory with friend should your name come up or all meet up later as spirit lives. Amen
